In 2023, we're so excited to invite you on a journey with TAP. Your itinerary includes stops as diverse as Victorian England, Paris in the swingin' sixties, and a New York radio station in the 1940s. From new work to fun-filled classics, we can't wait for you to see what we have in store for this year.

Subscriptions will go on sale February 8th! Watch your email for information.

WHAT'S NEXT AT TAP

Have you missed going to the theatre this month?

Join us again on February 3rd at 7pm for a reading of *Murder Girl* by Heidi Armbruster. Presented as part of the [Door County Reads Festival](#).

We cannot wait to have you back in the theatre!

This quintessentially Wisconsin story, set in a small-town Wisconsin bar, by a Wisconsin playwright is at turns hilarious, gritty and mysterious. In keeping with the themes of the Door County Reads selection, *A Raft of Stars*, *Murder Girl* features a Wisconsin setting and the mysterious disappearance of a child.

We are excited to be hosting an Indoor Winter Market Saturday, February 18th, from 10am - 2pm during Sturgeon Bay's Annual Fire & Ice Festival.

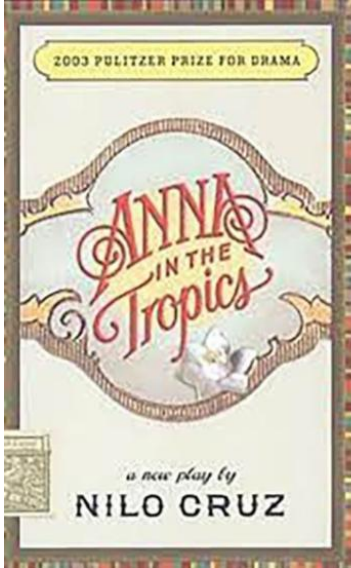

The Indoor Winter Market will celebrate local Sturgeon Bay area vendors – many of whom regularly attend the Sturgeon Bay Farmers Market. From knitwear and jewelry to honey and sweet treats, the pop-up market will feature a variety of local, handmade products. For a full listing of vendors who will be in attendance, visit SturgeonBay.net.

While attending the Indoor Market, stop by the box office to get the inside scoop on our 2023 season and learn about how to get tickets.

A trolley stop will be located outside of TAP and will make stops throughout Walkable Sturgeon Bay at Bay Shore Outfitters, Lawlss Coffee, and Popelka Trenchard Gallery & Glass Studio. All are welcome to enjoy free Door County Trolley rides, 11am to 3am.

TAP's new play-reading club brings dramatic literature to the fore

Want to learn more about the idea behind our Play Reading Club? Check out this piece from Sam Watson in Door County Pulse. Artistic Director Jacob Janssen discusses the importance of reading plays.

TAP would not be able to present a play reading club with such ease if it was not for the Door County Library and Laura Kayacan, adult services librarian and the club's co-facilitator. Laura helps hunt down the scripts to make them available both digitally and physically to participants and helps facilitate conversation during the monthly club meetings.

SUPPORT US

As we launch our 2023 season, we hope you will consider sponsoring a show. For a sponsorship, whether from a business or an individual, your name would be listed in all printed materials, on social media, on our website, and in a lobby display for that particular show.

Your support makes theatre possible and allows us to elevate the level of our work each year. A sponsorship of \$2500 would help cover the costs of the set or costumes for a production.
